OUR CUSTOMERS ABOUT IOTIQ

Been using IOTIQ automation from two months. I'm very much satisfied with their product. Their system is working flawlessly. The support team are very responsive and have resolved my doubts on priority. Special mention to Vinod and his team for their relentless efforts and timely attention.

- Abishek Goud

IOTIQ Home Automation is amazing. The Switch panels look very good. The scenes make our home feel classy. Raviteja was very supportive on every call and took care of all the installation and service. I recommend IOTIQ to everyone to make their home smart.

- Vihaan Kumar

The best home automation you can get. The lighting scenes they create are amazing. Alexa integration with their Mobile app was done very smoothly and works very well. Thanks to Sai and team. Thank you team for making our home extraordinary.

- Ajay Krishna

I have been using IOTIQ Automation at my Villa for six months now. Professional Team, High Quality Equipment, Definitely Value for Money. Last but not the least their impressive user friendly App and their Service. Would definitely recommend them.
