

**Welcome to  
ACS – Where Innovation  
and Service Go Together..**

*Some of them  
Light Up the Path..*

**OUR PAST DELIVERED EXCELLENCE,  
OUR PRESENT DELIVERS INTELLIGENCE,  
OUR FUTURE IS DRIVEN BY YOU...  
THINK BETTER, DO BETTER!**

## Customer Centric

**All we can say is - India Trusts Us!**

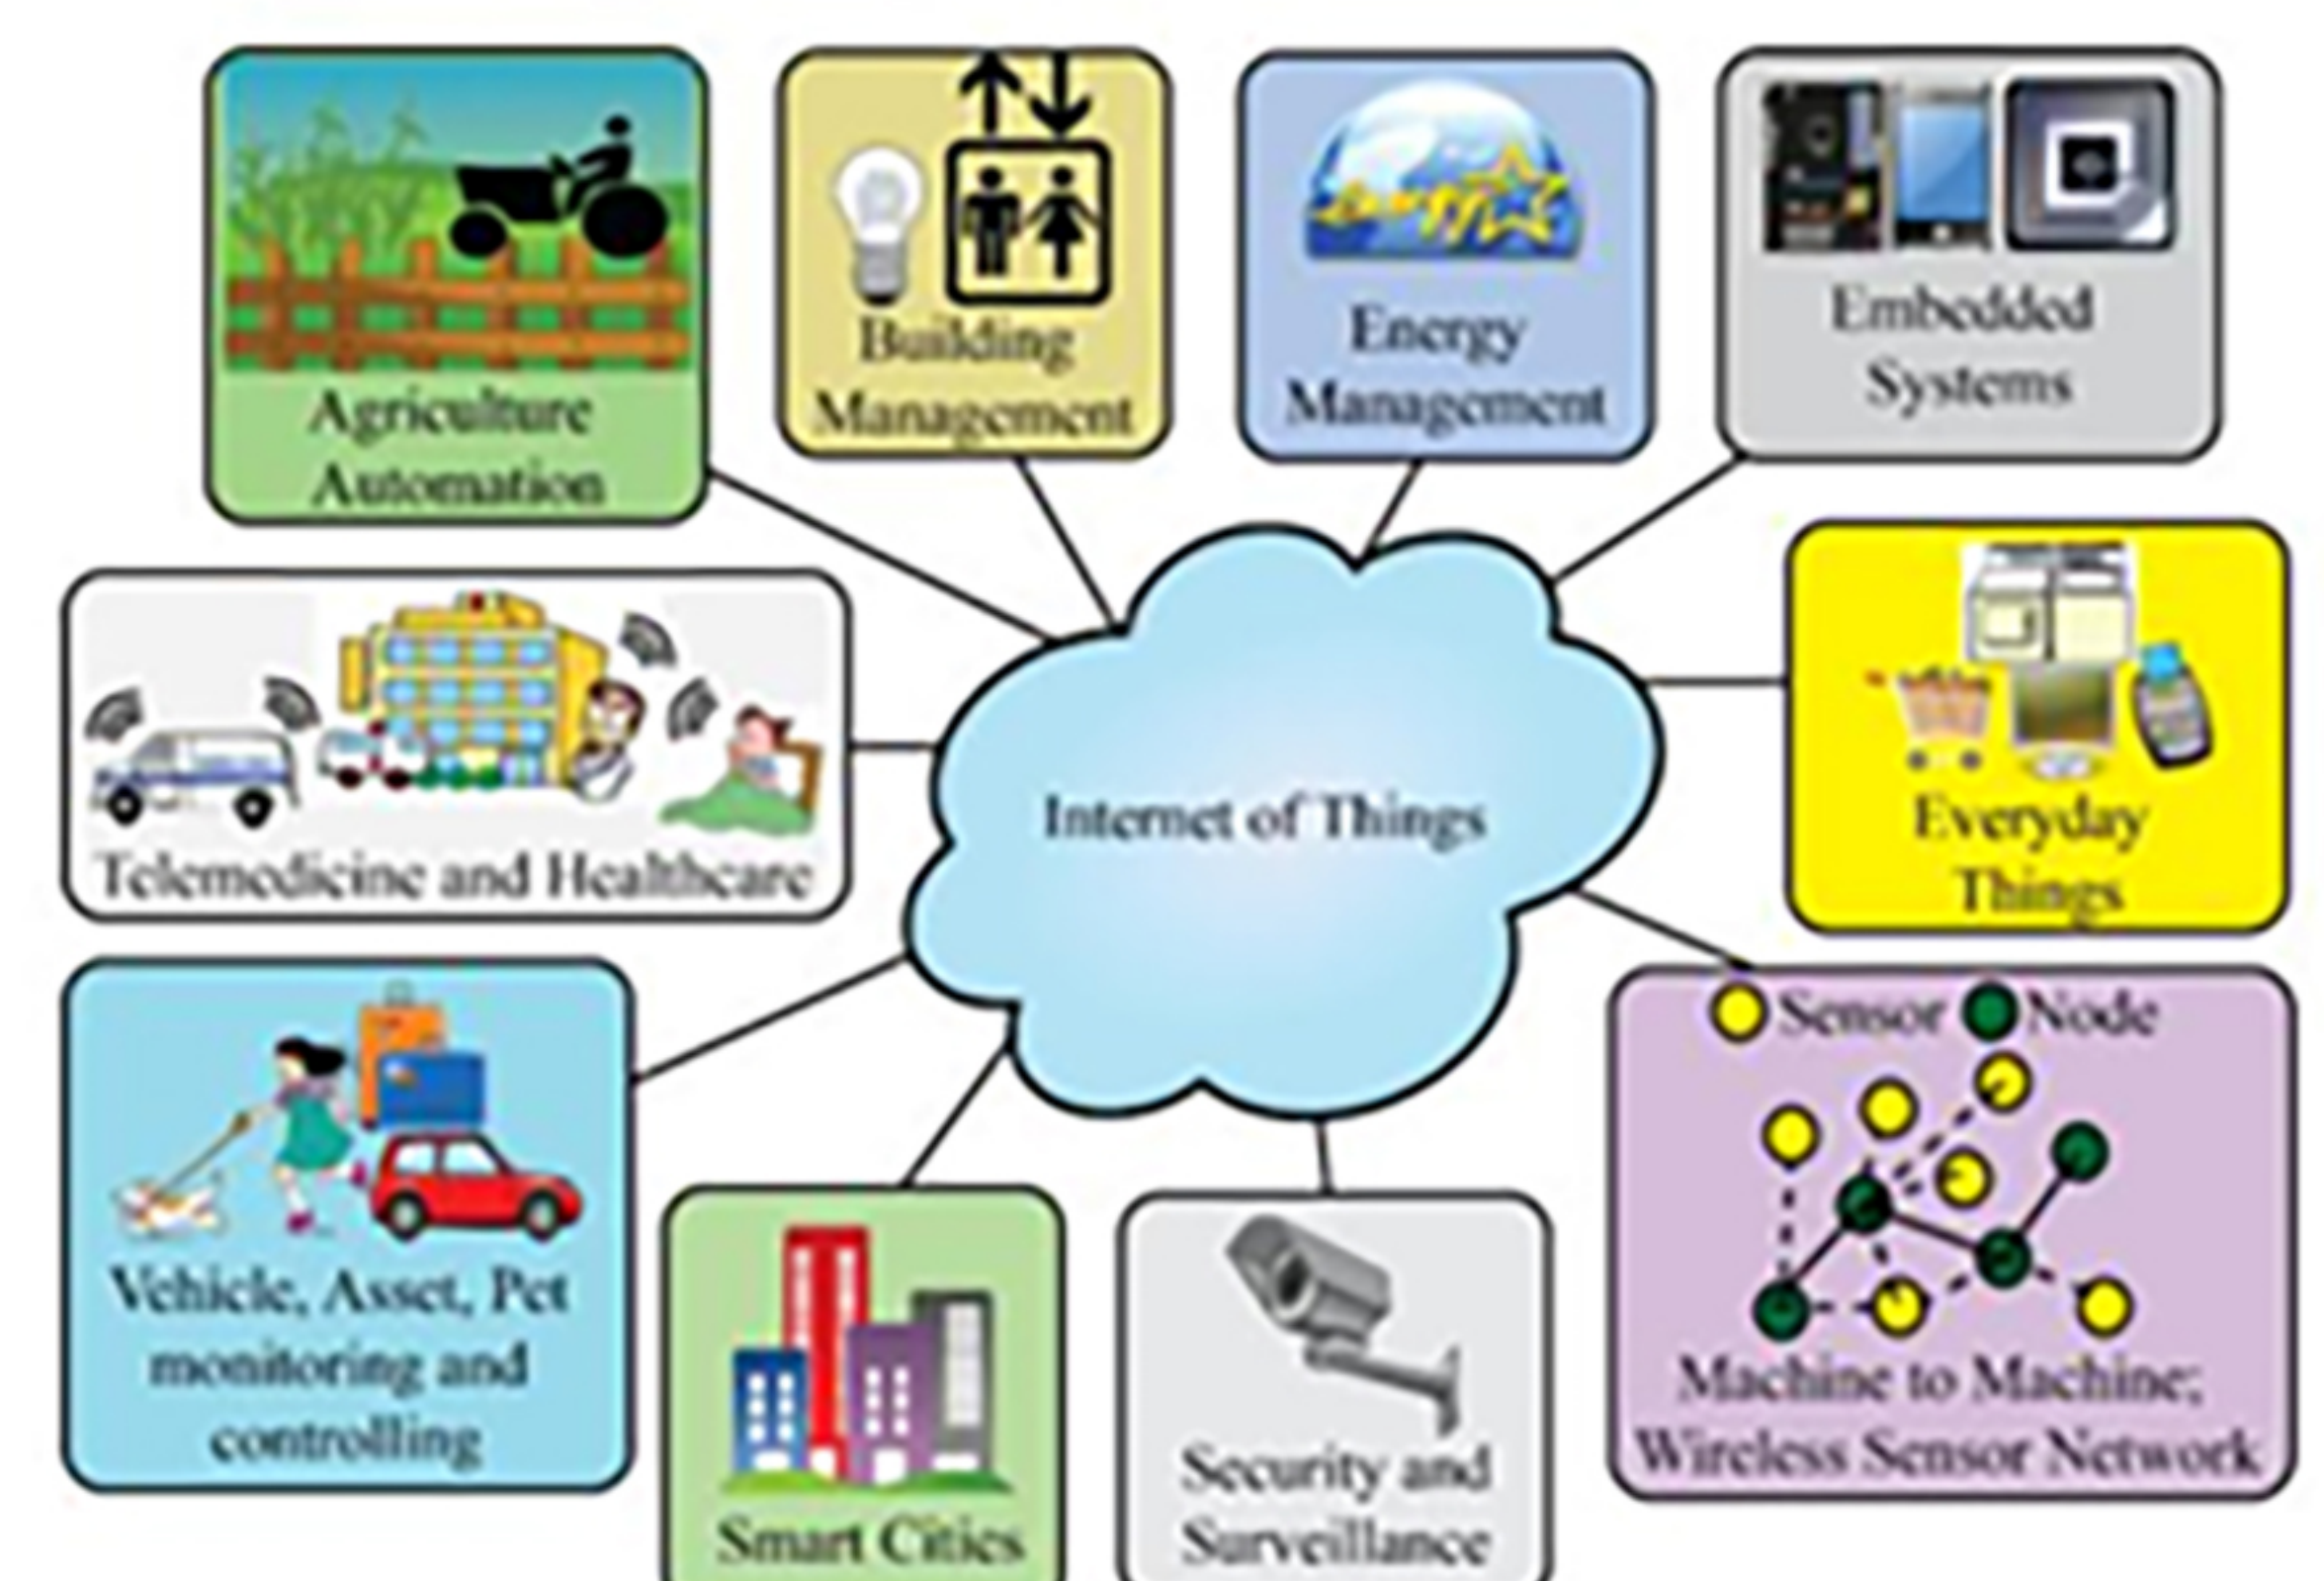

Indian Navy, Airports, Defence Research & Development Organizations, Police, Banks and many more have had a relation of trust with us spanning decades.

From providing Software Services to IT hardware maintenance to becoming the trusted Partner for end to end IT Infrastructure Management for the Elite Indian Organizations, ACS has come a long way.

IT is no longer "Information Technology". For us IT is Intelligent Touch.

We touch everyday lives of millions of people through our customers, be it Defence, Banks, Government or Corporate. Encompassing complementary and supplementary Solutions in Software, Hardware, Infrastructure, Security and Automation. We truly believe, **IT is for YOU.**

# The Month That Was August 2022

## Partners with Indian Navy

We are proud that ACS has been a Service Provider for Indian Navy for over 2 decades and recently was awarded another contract for Rs. 6 Crore for maintenance of entire Critical IT Infrastructure including Hardware, Software and Surveillance from Eastern Naval Command.

### ACS e-Seal Web and Mobile App deployed for Customs Department

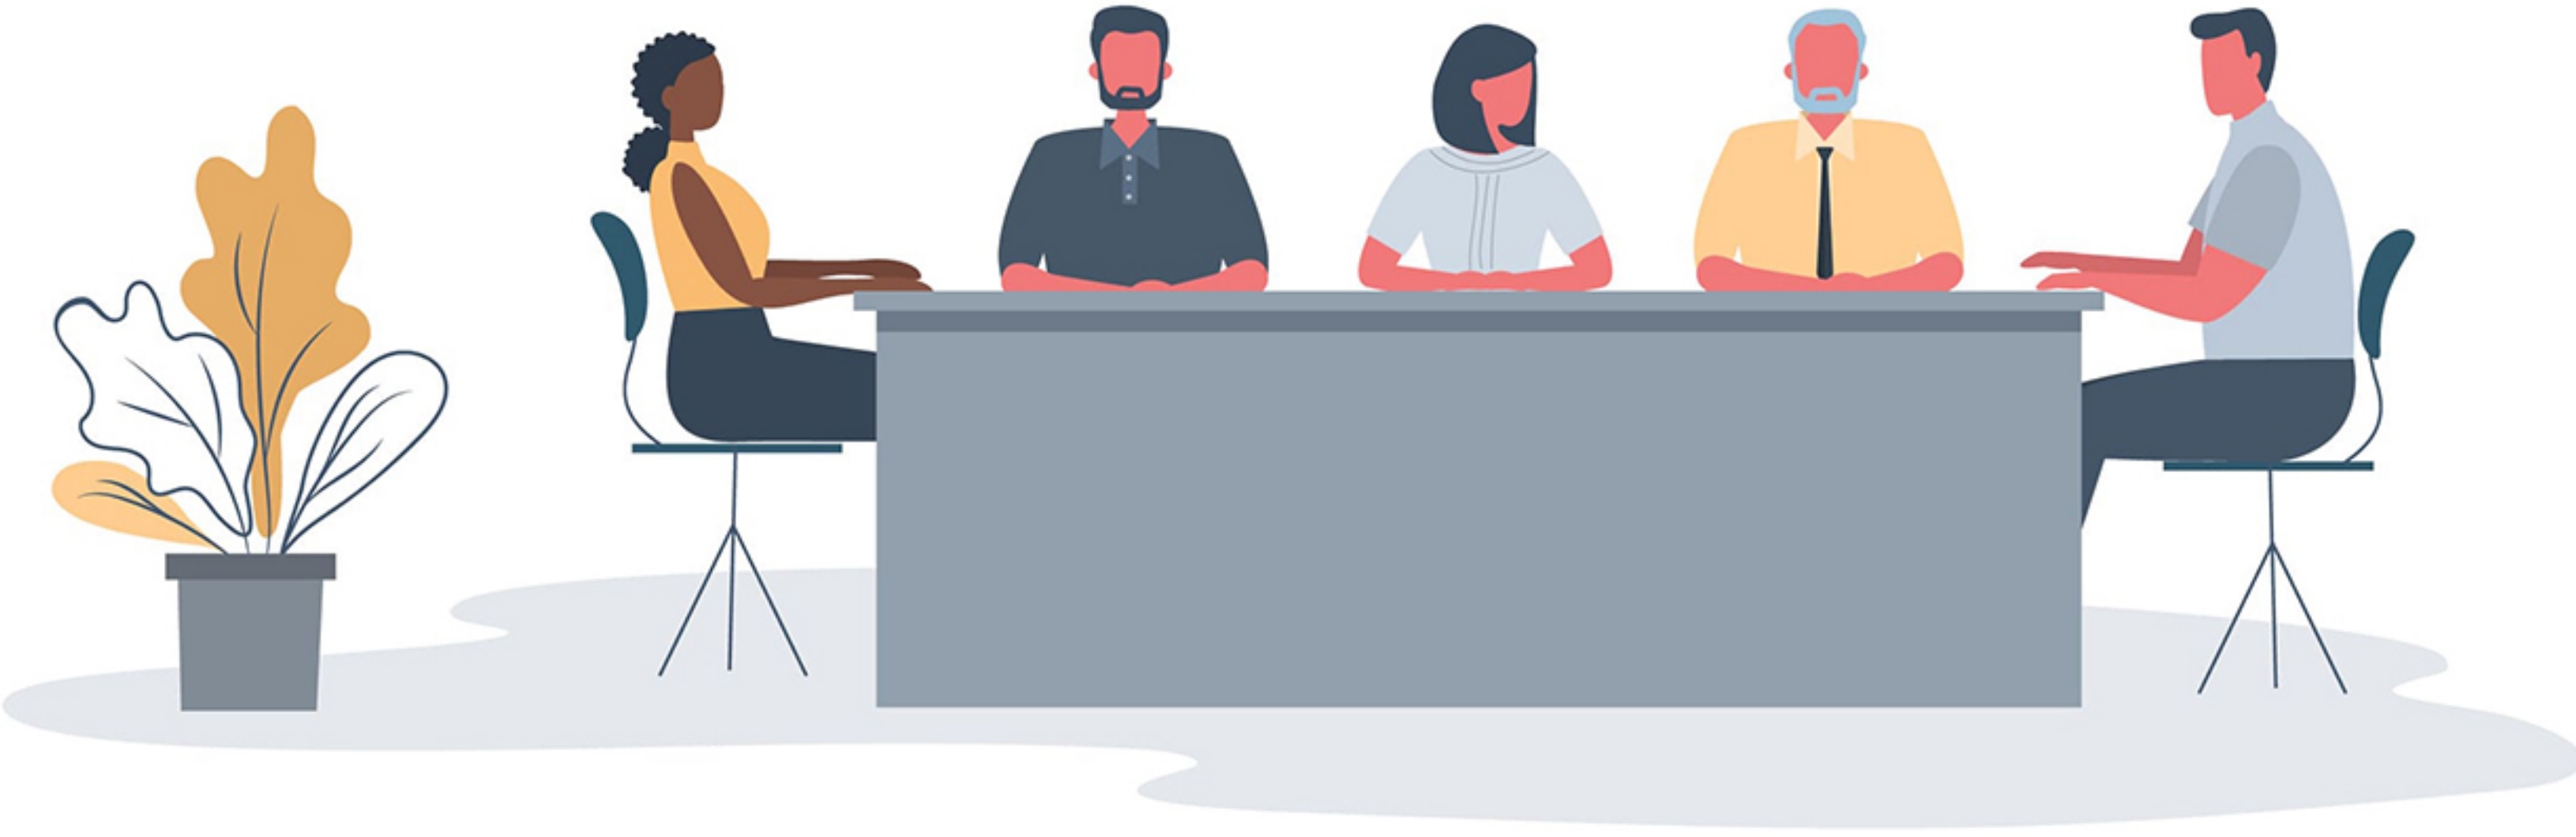

ACS built an e-Seal Web Portal/Application and Mobile App for Tamper Proof RFID based Electronic Sealing Locks for an empaneled provider of e-Seal Locks to Exporters in India. The App facilitates secure Exporter registration, online ordering, issue of seals against shipments/e-way bills and scanning/verification of Cargo Containers at Ports of exit (Air/Sea). The app is Tested and Certified by Independent Govt QA agency and is deployed in Live Usage and will help hundreds of Exporters of Indian Products to seamlessly send secure Cargos to their International Customers with reduced Customs Clearance times.

### Large orders move towards finalization

3 orders of value over Rs 25 Crores each are moving towards finalization. Two of these are from Indian Defence Organizations and one is from Indian Govt in the domains of Surveillance and IoT Solutions. Pursuing with a PSU for an order of about Rs 200 Crores.

## Induction in the Board of the Company

ACS Technologies welcomes its Non-executive Independent Director Sri. Kishore Varma the Head – Corporate Sales of GA Capital Management Private Limited (“GACM”) on board. Kishore Varma is an alum of Andhra University from where he holds a Master of Business Administration in Marketing and Finance and also has over 15 years’ experience in the field of financial services which helps in building tactical business strategies for ACS Technologies.

### Senior Management Professionals join team

Two Senior Management Professionals with decades of experience have joined ACS Team to augment and enhance Sales and Operations Management.

## IOTIQ is the Subsidiary of ACS Technologies

Established in 2018 to Build Technology and Solutions in IoT, Smart Data Analytics and Automation and backed by promoters of ACS Technologies Ltd, a 40 year old Indian IT Company.
